

## South Warwickshire Local Plan

### List of Call for Sites Submissions – December 2021

This document contains a list of all sites recorded from the Call for Sites exercise in 2021. It sets out:

- Reference number
- Site name
- Site address
- Submitted by (organisation/individual)

The purpose of this document is to identify whether each site has been submitted by/is being promoted by an organisation or an individual, as this information is not available on the interactive map (see below) may be useful or of interest.

Further information on each of the sites listed in this document is available on the [interactive map](#). The map provides known spatial information pertaining to each site in more detail. This information includes the site location and extent, the site area, its current use, and the use for which the site has been put forward.
