

South Warwickshire Local Plan

Guidance for viewing consultation responses

A. Opening the Consultation viewer

Upon clicking the link to view the consultation responses you will be taken to the SWLP portal. To access the responses click on the 'View Comments' box.

B. Selecting the relevant consultation responses

The consultation viewer has a number of drop down boxes that will help you navigate consultations and responses. You will first need to select the consultation you are interested in from the box below the viewing window.

Once you have selected the relevant consultation, you can then search by the consultation topics/questions, or by 'Surname or Organisation'.

C. Viewing responses

Once you have narrowed your search and found the response you wish to read, you can select it and it will open within the viewing window. From here you can navigate the response using the icons directly below the viewing window.
